Call to Artists:

Here's a great opportunity for all Hawai'i artists working in sculpture in the following areas: ceramics, fiber, glass, metal, mixed media and wood.

The East-West Center is looking for a **UNIQUE** made in Hawai'i interpretation of an elephant to be presented as a gift to the Princess of Thailand.

Your work could be chosen to be in the **Royal Collection of the Princess of Thailand!**

Deadline for Sketches: November 1, 2007

Submit to: Hawai'i Craftsmen, 1159 Nuuanu Ave, Honolulu 96817 or e-mail to info@hawaiicraftsmen.org

Size: No life size representations please! The chosen work must be of a size to be easily hand carried on a plane.

Design: Thailand is renowned for its carved images of elephants. Your design should **NOT** be a realistic portrayal of an elephant but rather inspired by this magnificent animal, possibly even suggesting the spiritual quality of the elephant and made in Hawai'i. Let's see your ideas.

Review: **The East-West Committee** hosting this event will review the entries and choose two or three finalists to create their vision from the drawings.
